The "Seasonal Closure" area on the map above is also known as the "yellow zone". This area is closed from October 1<sup>st</sup> to July 1<sup>st</sup>, for nesting of migratory birds.

The land just above the seasonal closure area is known as the "red zone". This area is open year round for walk traffic only. No vehicles are allowed past the Department of Fish and Wildlife signs. Fires are discouraged in this area due to dry grass and trees.

The area marked "private land" is just that, *private*. Whether the land is posted NO TRESPASSING or not, by trespassing on this land, you are subject to arrest for criminal trespassing. The area marked "open riding" is designated for all 4X4, ATV, and motorcycle use.

## **GRANT COUNTY ORDINANCES**

### ***IT IS A CIVIL INFRACTION TO:***

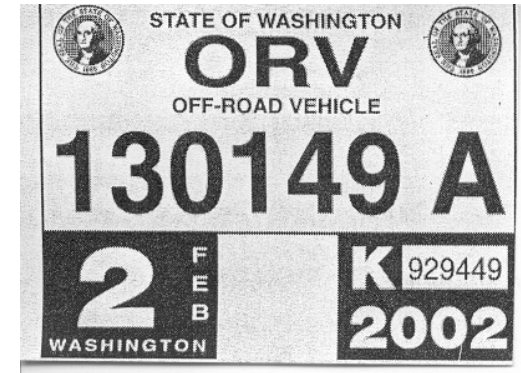

- Operate any motorcycle or ATV without an approved helmet
- Carry passenger's on an ATV or motorcycle
- Operate any ORV (except motorcycle) without a flag that is 108" from the ground and is orange or red
- Discharge any firearm in the off-road vehicle areas with the exception of the seasonally closed area of the Moses Lake Sand Dunes during lawful hunting seasons
- Burn pallets, tires, or any wood with metal fasteners

## **• Alcohol Use, Possession and/or Consumption is Prohibited—Grant County Ordinance 8.40.030**

No person shall use, possess and/or consume alcohol, or participate in the use, possession and/or consumption of alcohol, at any time, in the Moses Lake Sand Dunes and Beverly Sand Dunes.

The Moses Lake Sand Dunes covers over 3,000 acres of off-road riding area. The sand dunes are comprised of several different landowners, including Grant County. The Grant County Sheriff's Office maintains the ORV area through funding from Grant County residents and the IAC (Interagency Committee) for off-road vehicles. Through these funding sources, the ORV area is open to the public 24 hours a day, seven days a week, with restrictions on major weekends, i.e., Memorial Day, Fourth of July, and Labor Day weekends.

In order for the Moses Lake Sand Dunes to remain open, *everyone* must take part to maintain a clean and safe riding environment. The fences, signage, toilets and dumpsters were placed in the sand dunes for your convenience. Causing damage and vandalism may result in limiting access or closure of the Moses Lake Sand Dunes.

If your vehicle is not legally licensed for road use, you must contact your local Department of Licensing office to obtain a current ORV license. If your vehicle is licensed for street use, and the tabs are current, you are not obligated to purchase ORV tabs.

When you purchase ORV tabs, you are supporting several different ORV areas around the state.

## **SPARK ARRESTORS**

Spark arrestors are required on all vehicle in the Moses Lake Sand Dunes. "Glass-pac" type mufflers do not have spark arresting capabilities. Stock mufflers are acceptable.

For ATV's and motorcycles, if your exhaust is not stamped with "spark arrestor" or some form thereof, it is not legal for use. You must purchase the proper equipment from your local motorcycle shop.
